

Program Description

The Hospitality Professional Certificate (HPC) consists of a series of 15 self-paced online seminars that have been created for students or hospitality professionals. No matter what your level of education or extent of your work experience, there is always more you can learn and strive for, that will benefit your professional career.

Your Competitive Edge!

The Hospitality Professional Certificate provides you with the competitive edge you need to succeed in the industry by:

- ★ Focusing on the employability traits deemed essential by the industry
- ★ Sending a message to potential employers that you are motivated to learn and driven to succeed.
- ★ Developing your understanding of other cultures, traditions and beliefs and your ability to work with and manage a multi cultural workplace.
