American Hospitality Academy

Have you ever imagined a job or career on a cruise ship but wondered if it was really for you?

Would you like to visit exotic locations and explore the world as a crew member on a *floating resort*?

“SEAS” the Opportunity!

Created in collaboration with the American Hospitality Academy, Maritime Holdings Group and Princess Cruises, the Cruise Line Professional (CLP) course is your V.I.P boarding pass to see if the cruise line industry is for **YOU**.

This unique training program offers participants both shore side and ship board training. Before you set sail, a background of the industry and basic training are provided. Courses include:

- ★ Dynamics of the Cruise Industry
- ★ Working and Living On Board
- ★ Elements of Service Excellence
- ★ Skills and Essential Work Ethics
- ★ Living and Working in a Multi Cultural Work Environment

SET SAIL on a 7 Day Cruise

Set sail with accomplished cruise line professionals and “a ha!” Crew directors who will guide you through live seminars, presentations and hands on activities. Interact with cruise officers and explore what it is like to live, work and play like a crew member at sea!

Maritime Holdings Group Inc.

Cost: \$1800 per person

- ★ Air-ticket to-and-from the vessel and visa (Maritime Holdings Group's travel department is available to assist in procuring the most convenient air arrangement)

Eligibility Requirements

- ★ Minimum 21 years of age (Princess Cruises Requirement)
- ★ Minimum Education: High School
- ★ Good command of English, both written and spoken.

Please Note: *Many schools and students have asked about employment opportunities. AHA and MHG are working with Princess Cruises to provide a training program, we cannot make any promises or guarantee of possible employment opportunities. Under Certificate Materials, please find the course syllabus. As you will see this program focuses on Purser/Administration position and/or Culinary and the course will not only give students a hands-on understanding of how cruise line operate, but also the chance to be seen by and interact with shipboard management and supervisors that may recommend them to be hired. However it is important to set clear expectations, final hiring decision is up to the cruise lines and should not be seen as part of the program offerings.*
